LAST WORD

*If I were a cobbler
I'd make it my pride
The best of all cobblers to be
If I were a tinker
a tinker beside
should mend an old kettle like me...
Whether a tinker or whether a lord
Whatever my portion may be
In School I'll aim for the top of the class
In the field for the top of the tree
Let who will be second
The first I've determined to be...*
